FOR

TOYOTA

We extend a warm welcome this afternoon to the players, officials and supporters of Bolton Wanderers F.C., to the Abbey Stadium in the last game of the season.

When United visited Burnden Park just before Christmas a creditable 0-0 draw was gained, and we shall be looking to better that today to continue the good form shown over the Bank Holiday weekend with a 1-1 draw at home to Plymouth and an excellent 1-0 win at Rotherham. Roy McDonough was the scorer on both occasions from the penalty spot.

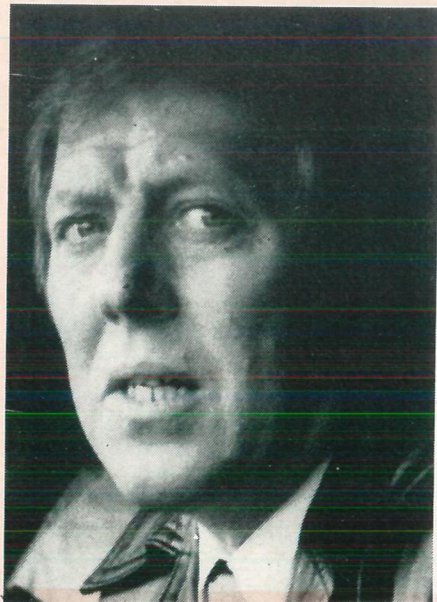

Now that Bolton has avoided relegation to the Fourth Division today's game has little importance attached to it, although we should make every effort to finish on a high note.

The past season has been a disastrous one for Cambridge United and one which we will wish to forget now that it is over, I would, however, like to express my thanks for the loyalty you have shown over the past year, and trust it will be rewarded with more success next year.

See you next season.

So just six Clubs in the Third Division have an increase in Average home Attendance for League matches this season, three of whom were promoted from the Fourth Division (Bristol City, York and Doncaster).

Derby have led the pack throughout the season and despite a loss of 2,288 spectators per match have only slipped from 25th position to 28th in overall average figures in the Canon League. The two Clubs relegated from Division Two last season, along with Derby, have suffered severely during 1984-85. Swansea whose average attendance last year placed them in 42nd position now lie 59th whilst our own club Cambridge United have slipped from 60th to 80th.

On the brighter side Bradford have an average attendance that finds them currently 39th as opposed to 59th at the end of 1983-84, and Millwall, now 41st overall were 57th last season.

The average attendance at a Canon League match this season stands at 8,689 (9,003 at 5th May, 1984) which represents a 3% fall.

Only in the First Division has the average attendance increased. Currently 21,177 fans attend matches in the top section compared with 18,781 a year ago - up by 12%. Ten clubs show a plus figure so far this season, Everton by a massive 56% to 30,029, and among the others somewhat surprisingly Sunderland have increased their average 'gate' by

15% to 18,788 even though the possibility of relegation faces the Club.

Second Division average figures have fallen by 25% from 11,578 as at 5th May last year to just 8,642 now. Only four Clubs have improved on last year at present - two of whom, Oxford and Wimbledon were promoted from Division Three. Oxford head for Division One now on an average attendance of 10,378 (up by 2,822) and Wimbledon having achieved a respectable position in Division Two are 1,145 ahead of their average 'gate' a year ago, which is now 4,475. Blackburn and Portsmouth are the other two clubs having a plus figure on their attendances. Leading average is held by Man City on 23,062 which puts them in 9th position overall in the Attendances League. Pity poor Wolves who seem doomed to the Third Division next season. The average League Attendance at Molineux is 8,573, 45% below the 12,478 a year ago.

And what of the Fourth Division, awaiting our arrival. The average League match attendance of 2,499 is 10% below the 2,798 at 5th May, last year. Seven Clubs have increased their average this season, and four of these are due to be promoted. The most impressive increase is surely that achieved by Darlington. Currently on an average of 3,776 this Club has come up with a 145% increase on last year's 1,539 at this same point, 90th in League attendances at the end of last season their present figure now places them 65th overall. So far this season Darlington's aggregate total is up by 46,976 which could represent some £140,000 valuable additional income! Other clubs who have achieved an increase against last season (in brackets) are Blackpool now 4,852 (3,993); Chesterfield 3,938 (3,482); Hereford 3,934 (2,848); Bury 3,681 (2,152); Hartlepool 2,346 (1,518) and Chester 1,896 (1,549). Three Clubs, all in the re-election zone, have an average home attendance of less than 1,500. Rochdale 1,466; Torquay 1,386 and Halifax 1,338 must all be wondering what lies ahead next season.

Twenty-seven clubs have therefore managed to increase their average attendances for League matches, so far this season.

This is seven less than last season and one is left to ponder on the thought that next year even fewer clubs may achieve this, and which ones will they be? With the majority of the "Glamour Clubs" now in the First Division it could be difficult for even them to maintain levels of support reached this season.

Nevertheless given the possibility of close battles for promotion in the other Divisions some fifteen or more definite increases would be forthcoming in theory, along with the "hoped for" upsurge in attendances for the Clubs promoted this season.

SIMON FARNWORTH (goalkeeper): After a promising and patent apprenticeship, Simon made the most of his break into the Bolton first team last season and missed only ten games.

JOHN PLATT (goalkeeper): Injuries robbed the former Oldham goalkeeper of a chance of a regular place last season but John, who joined Bolton on a free transfer from Bury in the summer of 1983, brought valuable experience to the side towards the end of last season.

BRIAN BORROWS (defender): Player of the Year last season, the cultured former Everton full-back made a terrific impression on the Third Division. Can also play in midfield.

RAY DEAKIN (defender): The Bolton skipper showed great determination in regaining his place after losing his form in the middle of last season. The former Everton and Port Vale defender made 47 appearances.

PETER VALENTINE (defender): The former Huddersfield Town defender missed only four games last season and rightly earned the label of "Mr Consistency" at the heart of the Wanderers defence.

JIMMY PHILLIPS (defender): The Bolton youngster has made great strides in his bid for first team recognition and deserved the chance of his first full appearance against Bristol Rovers on the opening day of the season.

MARK CAME (defender): The hard-tackling central defender gave up a 9 to 5 job to move into professional football when he joined Wanderers from non-league Winsford United at the end of last season.

WARREN JOYCE (midfield): Missed only one game in the Bolton midfield last season, the young all-round sportsman has played County Cricket at Colts level and is a Rugby Union Schoolboy tourist.

GRAHAM BELL (midfield): John McGovern turned to the former Oldham and Preston man when he was looking for a touch of experience to add to his midfield last season. Signed on a free transfer from Carlisle United and enjoyed an unbroken 19-match run.

STEVE THOMPSON (midfield): The man Wanderers rely on to operate on the right hand side of midfield, the youngster, son of an ex-League player, played 45 games in Bolton colours last season.

PAUL LODGE (midfield): Signed from Preston on a free transfer in the summer, Lodge is another ex-Everton recruit to join the Wanderers' squad.

Welcome to Today's Visitors

Bolton Wanderers

JEFF CHANDLER (forward): Jeff enjoyed his most successful season scoring 17 goals and being Bolton's only ever-present last season. A Republic of Ireland international the former Blackpool player cost Bolton £40,000 when he signed from Leeds in October 1981.

TONY CALDWELL (forward): set in the Third Division alight when he scored a Club record five goals in Bolton's 8-1 win over Walsall in September last season, while on part-time forms and still a full-time electrician. The recruit from non-league earned a full-time contract and ended the season top scorer with 22 goals from 37 appearances.

GEORGE OGHANI (forward): Another signing from non-league, George switched from the wing to central striker to earn himself a second chance after John McGovern had tried to sell him back to non-League in the summer.

WAYNE FOSTER (forward): Fast and hard-running, the former England Youth player has made more than 80 appearances in Bolton's League side.

SIMON RUDGE (forward): A diminutive striker with a lot of skill and an eye for goal, Simon scored nine goals in 38 games last term.

STEVE SAUNDERS (forward): Two operations kept Steve on the sidelines for the most part of last season but he is expected to make an impact this time round. An exciting young player of whom Wanderers have high hopes.

Bolton Wanderers FC face the camera. Back Row (l to r): Peter Valentine, Jimmy Phillips, Mark Came, Gerry McElhinney (left club), Neil Berry (left club), Paul Booth, George Oghani. Cambridge set the pace for £2,500 prize

Cambridge are the early leaders of the Canon League Spell and Win Third Division table followed in the chase for the £2,500 cash prize by York, Plymouth and Orient.

Club scores in the Canon Spell and Win game are calculated by dividing the total points contributed by supporters by a club rating based on the average attendance at home matches earlier this season.

For example:-

Derby County have the highest average attendance in the Third Division, 11,768. Therefore their rating is 100. Bristol City's 8,859 gives them a rating of 75 and Orient's 2,361 earns a rating of 20.

Points scored would then be calculated as follows:

	Points Contributed	Club Rating	Points Scored
Derby County	17,000	100	170
Bristol City	18,400	75	245
Orient	5,340	20	267

Thus, in this example the table would be headed by Orient with 267 points.

Help your club and yourself to win one of the major prizes by sending in your entry soon. Remember, you can submit as many entries as you like. For details of all the prizes to be won, see the Canon leaflet in today's programme.

To help those fans whose clubs do not complete their fixtures until late in May, the last date for entries for both Spell and Win and Shoot the Goal competitions has been extended to 10th June, 1985.

REPORTS ON THE ORIENT MATCH

By John Paxton School, Sawston

We went and sat down. It was not long before the game was underway, and within six minutes Ray McDonough's flying header was in to give us a 1-0 lead. The fans were overjoyed.

Matthew Gruby

Cambridge United and Orient were good, but I liked Cambridge United best, because I liked how they passed and Orient were not good at passing very well but in the second half they were good and the score was 3-2 to Orient.

Wayne Grantham

We sat on the back row but we could still see well. It was a very even match and fun to watch though Orient won by one.

Jennie Moss

Cambridge scored two goals and my dad thought that United were going to win for a change but Orient got a goal back. At half time we were hungry so we got a hot-dog.

Stephen Murray

Number 8 played excellent, doing turns and kicking the ball a very long way up the pitch.

Simon Homent

The match was quite good, but the ref was blind or he didn't want Cambridge to win.

Duncan Phillips

It was a good game, a lot better than before. My brother went as well. I was mascot, so I had to go. I am eight years old. I live near Cambridge. I have two brothers and one sister. I have said it was a good game and there was one bad thing, Cambridge lost.

Martin Phillips
